This dolly packs a punch. She's not the biggest cow in the pasture but she goes back to some pretty great breeding. She's due to calve in the April of 2023 with a Dynamic baby. You won't want to miss out on these genetics! She has a 5/29/2022 bull calf out of Pearl Snap BCB at side. 11/12/2022 palpated too close to call.
