# WELCOME

Fellow Longhorn Breeders and Enthusiasts,

We would like to be the first to welcome you to the 2021 Texas Longhorn Legacy Sale. This sale has been a staple of the industry the past 17 years as the sale of the year. This year is no exception. With the circumstances of last year, we were still able to rally and have an absolutely amazing sale and this would not have been possible without your support!

Consignors are bringing their best this year as we will see another Legacy and Industry first of two 100" cows selling Saturday. We have an amazing lineup of females that will add value and production to any herd in the Nation. Thank you to each consignor for truly bringing their best to town.

Our goal is provide you with a weekend you will be talking about well into the future all while bringing you some of the best cattle that the industry has to offer. Please enjoy your time here at the luxurious Embassy Suites and be sure to check out the vendors booths and breeder tables out in the lobby. Back by popular demand is the Legacy Heifer futurity where all the heifers consigned will compete for bragging rights, Calcutta money and the grand prize of \$5,000.

As always this event would not be possible without the support of each and every one of our sponsors and consignors. It is because of you and this great industry that we are allowed to bring you this event. Our hats are off to you for digging deep into your herds to bring us your best.

Please take the time to soak in all the Legacy Sale has to offer. We are here to serve you and can't thank each and every one of you enough for being here.

We are thrilled to have you as a part of the 2021 Longhorn Legacy Sale Presented by the Longhorn Legacy Group. Welcome to Grapevine!

## LONGHORN LEGACY GRANT

2020 Winner Melissa Boerst- "I feel very honored and thankful to be part of a group of people who believes in taking care of each other and promoting the betterment of each other. Getting to know members who are the legacy of the Longhorn industry is a good way to continue the memories of the people, their values, and their knowledge on to the next generations. I am very grateful to be able to say that I am student debt free because of the longhorn industry."

2020 Winner Josh Shaw- "We are beyond blessed and grateful for being awarded the Legacy Grant. Beside the obvious benefit of the monetary award, the grant allowed us to become more connected with the past and the present Longhorn industry. It was an honor to be able to try and capture a small part of the Legacy of Mike Bowman, which will live on for generations to come in the Longhorn industry."

Texas Longhorn breeders are family. They have roots and youth, and, like any family, they have needs. The Texas Longhorn Legacy Group is committed, on the one hand, to preserving and honoring roots for both the breed and of important breeders, and on the other to helping fellow breeders in need. Toward that end, "The Longhorn Legacy Grant is designed to help longhorn families address the epidemic of educational debt while, at the same time, making sure that the future of the breed doesn't forget the past while immersed in the present. Whether that debt arises from loans for college, a technical school, or some other recognized education institution for which student loans are available. The goal is to help pay down, or off entirely, educational debt for Longhorn breeders.

We understand the significant and sacrifices that every breeder incurs when they become involved in this industry we love so much. The goal is to make direct a direct impact on those with heavy debt while, in return, asking them to help all of us remember some of the giants in this breed who are no longer here.

Those who apply for a grant will be asked to research and write an in-depth two part essay about past breeders who made a memorable impact on the breed while alive, folks like Ben Gravett, Joe Graddy, Joe Valentine, Mike Bowman, Mel Raley, John Allen, Bill Le'An, and Bill Davidson to name just a few. The first part will consist of interviews with friends and family of the person being remembered followed by a footnoted biographical sketch of that person of no less than 1,500 words. The second requirement will be an autobiographical sketch explaining the application's involvement in the breed, including but not limited to a description of their program, why and how they became interested and involved in the breed, their goals, and how debt is affecting their progress and their life in general. Each report submitted, whether a winner or not, will become the property of the Texas Longhorn Legacy Group, will be available, with proper attribution, to breeders and the public, and may be published in trade magazines or other media. The Texas Longhorn Legacy Group will be the sole judge of whether to make any award in a given year, and each award, if any, will be based on merit and not on any other criteria. Each year a panel of Longhorn breeders will be selected to review applications and to determine whether an award is justified and, if so, to who it shall be given. Any winner will be honored and his or her check will be presented at the next Legacy Sale.

## EV MISS WHISKERS

SIRE: **EV CHISHOLM TOUCHDOWN**

DAM: **SOMBRAH'S CHIPPY**

DOB: 5/23/20

Cheryl Bryant of Elah Valley Longhorns decided to help the Legacy Grant out this year at the Legacy Sale with the donation of EV Miss Whiskers. The design of the Legacy Grant is to not only dive into the future of the applicants but dive into the memories of breed giants who are no longer here, to keep their Legacy alive. Miss Whiskers is sired by the Bryant's 87"ttt senior herd sire, **EV Chisholm Touchdown** who's out of **RM Tari's Touchdown** (Touchdown of RM x Tari's Treasure). On the bottom side you have Sombrah's Chippy from the Randolph's program. LP Sombrah has been a producer of many futurity champions. This little gal has a lot of flash to her. While she'll most likely be donated back a few times, don't be afraid to buy her on the last go and take her home.

## THE FUTURITY MONEY EARNERS

THE OFFICIAL MONEY EARNERS LIST FOR LONGHORN FUTURITIES

This year of 2021 brings a whole different level to the Futurity world. Our goal is much like the Millennium Futurity's "For the promotion of Longhorns." We want to add another value to these cattle that are quantified. In 2021 we are going to offer five award buckles for five different categories. Multiple futurities have already committed to helping collect this data meaning that their shows will be added to these figures. Any checks won in any of these shows will be represented on the Futurity Money Earners List for both the sire and dam of that money winning animal, as well as the owner of that animal. Special thank you to Molly & Jaymie at Hired Hand for their belief in this concept. Hired Hand has sponsored this year's buckles.

### **2021 FUTURITY MONEY EARNER AWARD BUCKLES**

PRESENTED BY HIRED HAND SOFTWARE

- Bull of the Year awarded to the sire whose offspring wins the most money
- Cow of the Year awarded to the dam whose offspring wins the most money
- Exhibitor of the Year awarded to the show contestant that wins the most money
- Producer of the Year awarded to both sire and dam whose offspring wins the most checks of the year

Please contact [Beardavidson@gmail.com](mailto:Beardavidson@gmail.com) to add your futurity to the list.

## WHY THE YELLOW HIGHLIGHTS?

We wanted to be different and create a new feature to your standard sale catalog. Each of the yellow highlighted animals are over 80" TTT. Thanks to Hired Hand, we were able to track down many of these measurements. Although we're well aware that there are many great cows under 80" TTT, we wanted to give some extra promotion to the consignments who pulled from the heart of their herds. Thank you to each and every consignor!

## EXAMPLE- LOT 3

### EV GLORY BEA

SIRE: **KCCI CHROMED**

(**COWBOY CATCHIT CHEX** x **KCCI RIO FANCY**)

DAM: EV LEZAWA LUCILLE

(TOMMIE EOT 15/11 x ZEUS LEZAWA EOT 254)

**BREEDING INFORMATION:** Exposed to **EV Chisholm Touchdown** from 7/6/20 to 9/15/20.

**COMMENTS:** This is the best heifer we've ever raised and that's what the Legacy Sale is all about. The tip of our breeding spear. She's sired by **KCCI Chromed (Cowboy Catchit Chex x 90" TTT KCCI Rio Fancy)** out of 90" TTT KCCI Outback Fancy). Her mother, EV Lezawe Lucille was the best cow we raised prior to Glory Bea. She's got a huge frame, a great twist, and is every bit a Longhorn mother should be. She's been exposed to **EV Chisholm Touchdown**, a son of Chisholm by Boomerang and out of **RM Tari's Touchdown** going back to Touchdown of RM, Delta Tari, and Tari Graves. She measured 62.5" TTT at less than 23 months. This is Elah Valley's legacy. Updated measurement and breeding info at sale.

**BREEDING INFORMATION:** Exposed to **EV Chisholm Touchdown** from 7/6/20 to 9/15/20.

**COMMENTS:** This is the best heifer we've ever raised and that's what the Legacy Sale is all about. The tip of our breeding spear. She's sired by **KCCI Chromed (Cowboy Catchit Chex x 90" TTT KCCI Rio Fancy** out of 90" TTT KCCI Outback Fancy). Her mother, EV Lezawe Lucille was the best cow we raised prior to Glory Bea. She's got a huge frame, a great twist, and is every bit a Longhorn mother should be. She's been exposed to **EV Chisholm Touchdown**, a son of Chisholm by Boomerang and out of **RM Tari's Touchdown** going back to Touchdown of RM, Delta Tari, and Tari Graves. She measured 62.5" TTT at less than 23 months. This is Elah Valley's legacy. Updated measurement and breeding info at sale.

### HOUDINI'S ROSE

**SIRE: TCC HOUDINI**

**(RHF SHARP SHOOTER X HR RIO ROSE)**

**DAM: REX'S RED ROSE**

**(M.C. SUPER REX X MAX'S RED ROSE)**

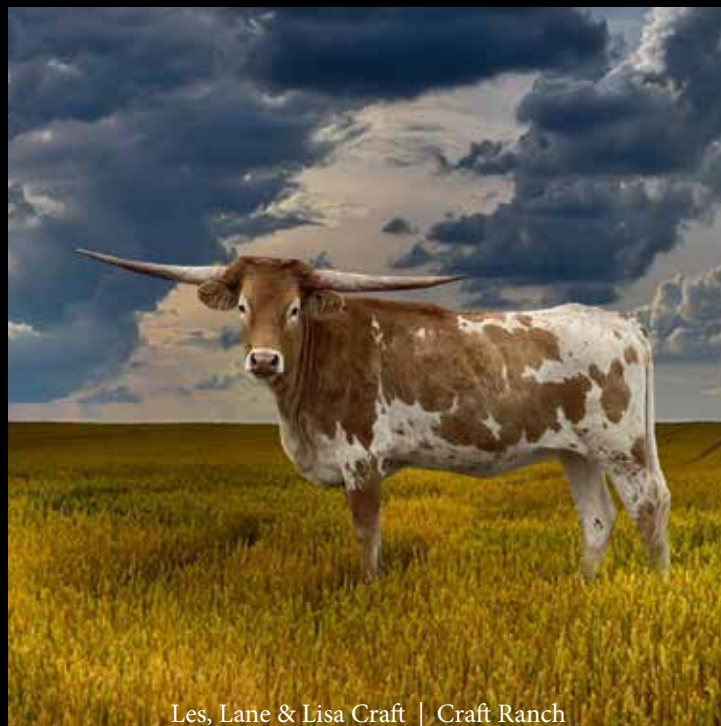

**DOB: 3/20/19**

**PH#: 2/19**

**REG: 282183**

**BREEDING INFORMATION:** Exposed to Brazos Rocky 667 from 12/3/20 to Sale Day.

**COMMENTS:** The Legacy Sale requires our best and from the absolute heart of our herd. Sired by the late **TCC Houdini** who measured over 96" TTT and, at the time of his death, was the second biggest bull in the breed to that of the \$140,000 100" **Cowboy Tuff**. On the bottom side you have our 3x Ultimate Cow, Rex's Red Rose who measured 102" TTT+. The only two daughters we've sold out of RRR was Rosie EOT at the Vegas Sale for \$31,000 and Ring Around Rosie at the Legacy for \$35,000, along with a bull, Cowboy Ruff, who measured 82.5" TTT @ 33 months. These genetics are about as consistent in horn and body size as you can find in the Longhorn world. She bred to Brazos Rocky 667 (**PCC Rim Rock x Jamakizm's Alphie**) giving you the added 90" TTT Jamakizm's Alphie. She measured 58.375" TTT at less than 21 months old.

She's been exposed to Backfired Love LV, a huge lateral horned son of **CV Backfired** and out of a Hudson bred heifer sired by **Fox Chex (JP Rio Grande x BL Foxy Lady)** and out of a **Sittin Bull x Shamrock Lady Rio** daughter. The background of the entire poster is a dark, textured charcoal grey. It is adorned with numerous pink cherry blossoms of various sizes and stages of bloom. Some flowers are fully open, showing five petals and prominent yellow stamens, while others are buds or partially open. The blossoms are scattered across the frame, with some appearing to be on thin, dark branches with small, dark green leaves. The overall aesthetic is elegant and celebratory.
