WELCOME

Here we go! The Midwest Sale is back! There's so much history with the Midwest Sale from cattle bringing great prices, huge participation both locally and nationally, and some great memories. Mike & Debbie Bowman worked hard creating, developing, and growing this market and we all have benefitted as an industry because of it.

We understand the value of these local and regional Longhorn markets. It's what makes the industry grow and thrive outside of the state of Texas. It's an important tool for many breeders- it allows them to promote and market their programs and cattle in shorter distances as well as bring new breeders to the festivities and show them the joy of the Longhorn community. It's always been about the people and it's always about having a great time.

When Mike we lost a lot. We lost a great friend, a pioneer in the breed, and a hustler that kept the wheels moving for many folks. And we are so fortunate to have Debbie apart of this Longhorn Legacy. It was her drive to bring back the Midwest Sale and the sole reason why it's here today. So be sure to thank her for it!

After a record breaking Legacy Sale this March with over a \$20,000 avg and a Cherry Blossom Sale that saw over a \$2,900 avg we are extremely excited in the direction the industry and the people are going. New breeders are coming along, a testament to the breeders who are growing the breed and helping those who need help. It's all lining up for a rock star year!

We're excited to see you in Winfield. If you need anything don't hesitate to reach out to us.

Ann, Bear, Chase, Debbie, Lane, and Mike

THE FUTURITY MONEY EARNERS

THE OFFICIAL MONEY EARNERS LIST FOR LONGHORN FUTURITIES

This year of 2021 brings a whole different level to the Futurity world. Our goal is much like the Millennium Futurity's "For the promotion of Longhorns." We want to add another value to these cattle that are quantified. In 2021 we are going to offer five award buckles for five different categories. Multiple futurities have already committed to helping collect this data meaning that their shows will be added to these figures. Any checks won in any of these shows will be represented on the Futurity Money Earners List for both the sire and dam of that money winning animal, as well as the owner of that animal. Special thank you to Molly & Jaymie at Hired Hand for their belief in this concept. Hired Hand has sponsored this year's buckles.

2021 FUTURITY MONEY EARNER AWARD BUCKLES

PRESENTED BY HIRED HAND SOFTWARE

- Bull of the Year awarded to the sire whose offspring wins the most money
- Cow of the Year awarded to the dam whose offspring wins the most money
- Exhibitor of the Year awarded to the show contestant that wins the most money
- Producer of the Year awarded to both sire and dam whose offspring wins the most checks of the year

Please contact Beardavidson@gmail.com to add your futurity to the list.

Why the yellow highlights?

We wanted to be different and create a new feature to your standard sale catalog. Each of the yellow highlighted animals are over 80" TTT. Thanks to Hired Hand, we were able to track down many of these measurements. Although we're well aware that there are many great cows under 80" TTT, we wanted to give some extra promotion to the consignments who pulled from the heart of their herds. Thank you to each and every consignors!

COMMENTS: Peaches is an amazing cow out of 2 amazing producers. Not much needs to be said for **JP Rio Grande** and **Peach Brandy ST** holds her own being a great producer as she has had many daughters sell for good money. COMMENTS: We thought it would be cool to bring this heifer to the Midwest. Her dam, is Bowman breeding, one of the best cows we own. This line produces solid cattle. To top it off, she has a heifer calf at side by 99 Problems who brings in **Fifty-Fifty BCB** and **Rex's Red Rose** who measures 103" TTT. Lots of potential in this package.
