WELCOME

Welcome to our new Midwest Sale!

Well here we are, at the Flint Hills Livestock barn. We are excited to be back with our second year of the Midwest Sale with the Longhorn Legacy Group. We are in a new venue with a new futurity and what a great place to grow. The Jones' have pulled out all the stops for their first Longhorn sale at this venue and we're really looking forward to it.

No one needs us to explain why we're doing a futurity. It adds more fun and allows us as a breed to continue moving the bar and striving to be better breeders. A futurity is a great opportunity to compare your cattle side by side in the most fair arena the Longhorn world has to offer.

Don't miss our Friday night party brought to you by Debbie Bowman. Debbie and her late husband Mike were key parts of the Kansas market for decades. Mike's Midwest Sale was looked at as one of the best in the country attended by folks all over from coast to coast. Our goal with the Longhorn Legacy Group's involvement is to continue the market he and others worked so hard to build by helping the local market grow. We talk about it often with the Cherry Blossom Sale in Virginia, that without these local regional sales and markets what are local breeders to do? Load up and drive extra hours and days to sell their cattle? That doesn't make sense. And these local markets are built on the foundations of these local breeders. It's a partnership. This isn't the Longhorn Legacy Group's sale. It's the local breeders' sale. If this sale does what it's suppose to do, help establish, create, and retain a market locally away from the hub of Texas it then allows others to find success. And that's what we're about.

Join us in Kansas and help us celebrate this local market.

THE FUTURITY MONEY EARNERS

THE OFFICIAL MONEY EARNERS LIST FOR LONGHORN FUTURITIES

This year of 2022 brings a whole different level to the Futurity world. Our goal is much like the Millennium Futurity's "For the promotion of Longhorns." We want to add another value to these cattle that are quantified. In 2022 we are going to offer five award buckles for five different categories. Multiple futurities have already committed to helping collect this data meaning that their shows will be added to these figures. Any checks won in any of these shows will be represented on the Futurity Money Earners List for both the sire and dam of that money winning animal, as well as the owner of that animal. Special thank you to Molly & Jaymie at Hired Hand for their belief in this concept. Hired Hand has sponsored this year's buckles.

2022 FUTURITY MONEY EARNER AWARD BUCKLES

PRESENTED BY HIRED HAND SOFTWARE

- Bull of the Year awarded to the sire whose offspring wins the most money
- Cow of the Year awarded to the dam whose offspring wins the most money
- Exhibitor of the Year awarded to the show contestant that wins the most money
- Producer of the Year awarded to both sire and dam whose offspring wins the most checks of the year

Please contact Beardavidson@gmail.com to add your futurity to the list.

Why the yellow highlights?

We wanted to be different and create a new feature to your standard sale catalog. Each of the yellow highlighted animals are over 80" TTT. Thanks to Hired Hand, we were able to track down many of these measurements. Although we're well aware that there are many great cows under 80" TTT, we wanted to give some extra promotion to the consignments who pulled from the heart of their herds. Thank you to each and every consignors!

Why the QR Codes?

Online and paper sale catalogs are great, but when you're interested in purchasing or researching a handful of animals, Googling™ them all can be a tall task. As sale hosts, we're constantly trying to make it easier for potential buyers to find and research the animals they're interested in and give our consignors more marketing value when consigning to our sales. This new QR code feature does both.

To use the QR code just face your phone's camera at the screen image or paper copy of the catalog photo you're interested in learning more about and a notification will pop up asking if you'd like to be taken to that animal on your preferred internet browser. Proceed with that prompt and you can further research the animal or sign up to bid on her. It's that easy.

Thank you to the Hired Hand team for presenting us with this innovative idea.
