This cow has a twist! She is very easy going and right now is a 3 n 1 with a heifer calf at side. She is an easy cow, has good udders, and a twist that we dont want to lose in the breed. She does has a defect on her horn as one has a little drop to it, that doesnt effect her breeding at all. Her calf is out of a over 90TTT sire and she is a doll, with a brindle and white paint.
