WELCOME

Fellow Longhorn Breeders and Enthusiasts,

We would like to be the first to welcome you to the 2026 Texas Longhorn Legacy Sale. Over the past 21 years, this sale has been a staple of the industry and is always an amazing time spent with friends and family. We make it our goal to be better each year with all the sale and weekend has to offer, and this year is no exception.

We would like to thank our consignors this year for digging deep to bring us one of the best lineups of cattle we have seen. This lineup of females will add value and production to any herd in the nation. With cattle coming from all across the country from breeders large and small we are thrilled with the lineup for this year!

Our goal this year as every year is to have a FUN weekend! From casino night, cow patty bingo, vendor shopping and time spent with our amazing Longhorn Family. We continually strive to make this event better and more enjoyable year after year! Back again by popular demand is the Black Tie Heifer sale Friday night! Be sure to dress your best to bid on the best!

As always, this event would not be possible without the support of each of our sponsors and consignors. It is because of each of you we can bring you this great event and keep making it bigger and better.

Please take the time to enjoy all the Legacy Sale has to offer. We are here to serve you, and thank each and every one of you for being here.

This fantastic heifer is an example of where Lucky Mountain and M7 has been "stacking Danica." It works!! Going back to the great ECR True To Tradition bloodlines you have Loomis, El Coyote, Bull Creek breeding as well. This gal has it all in one beautiful package. She is not only a show stopper, she is good natured and an easy keeper, long, deep and has good feet. Her horns are going back with excellent length and great motion. She sells unexposed.

This impressive young female has it all - an exceptional body, horns beginning to twist, a gentle and easy-going disposition and beautiful tri-color spots that keep coming through just like her mama's did. Her genetics are nothing short of powerful. Sired by the 90"+ TTT GF Buck Winn, a son of the legendary 90" TTT Drag Iron. On her dam's side, the pedigree reads like the who's who of Longhorn greatness: 93"+ TTT Cowboys Rose, 108" TTT Cowboy Tuff Chex, 101" TTT Rose of Sebastian. COMMENTS: OCV'd. JM5 Abracadabra is the last calf from the now deceased and legendary 98" TTT Watson 640. She is thick bodied and her horns are rolling out just like her dam. Abracadabra has tons of color that is popping through and is sure to catch anyone's eye. She is being exposed to the 2025 - 2nd place NLFR bull- Phantom. He dominated at the NLFR playoff in Kentucky and to top it off, he is homozygous. Rest assured, this heifer is special in every way and her genetics cannot ever be repeated. COMMENTS: SLL Mer-Mazing is the definition of eye appeal, flashy coat, long-necked, flat-shouldered, and extremely soft in her rib design. She possesses the 'look' required for the futurity circuit while maintaining the structural soundness to be a front-pasture donor. Combining excellent genetics with physical characteristics for long-term productivity is what we strive to breed here in our operation and we feel that this heifer does just that. (FIFTY-FIFTY BCB X RING MY BELL BCB)

DOB: 10/23/2023 **PH#:** 24/3 **REG:** CI350223

BREEDING INFORMATION: JH Rural Safari Son from 11/28/2025 to 02/01/2026.

COMMENTS: OCV'd. Hello Adorable, a gorgeous daughter of Hello Darlin' (94" TTT). He's known for producing big, deep bodied cattle. Her dam, Adora Belle BCB, is an own daughter of the late Fifty-Fifty BCB. Adora Belle's a super producer here at the Bolen ranch. This heifer's maternal sister is Just Delightful BCB, who sold for \$95,000 at our 2023 Production Sale! And she hit the 100" mark as a 4-year-old! Hello Adorable measured 41" TTT at 12 months and 67" TTT at 24 months. She's bred to the big, black and white JH Rural Safari Son, which brings in the Lady Monika BL and Night Safari BL lines for strong maternal genetics. He's also the sire of JH Rural Blackout, JH Lightning In A Bottle and PCC Dark Knight. You'll find more info at www.bolenlonghorns.com. Study these genetics and bid with confidence!

DAM: SWAG DARLIN' BCB

DOB: 4/11/2023 **PH#:** 3/6 **REG:** CI346366

BREEDING INFORMATION: Exposed to Jack Of All from 5/31/25 to 10/2/25 Not confirmed yet, this was a test pen for starter bull.

COMMENTS: OCV'd. A beautiful thick heifer out of a tremendous Bolen breeding cow with 113" of total horn. If you believe in the dam sides on a cow look at both dam sides on this girl...she's built for breeding and creating horn and body. The Delta Luck Ace and N8ive Legendz heifers have been huge in the futurity shows. You can see she has an elite pedigree that's as good as any you'll find. We have exposed her to a starter bull, Jack Of All so at the time of entry I don't know if he bred her but we will know by sale time.

BREEDING INFORMATION: Exposed to Silver Leighman from 6/1/2025 to sale date. Leighman is a 90" TTT black and gray son out of CV Call of Duty and Ameldia Leigh.

COMMENTS: OCV'd. Streak is turning out to be an amazing female. She has the color, horn shape, disposition, and going to be a 90" TTT cow in short order. Her Dam is over 96" TTT, and Butch Cassidy's pedigree is loaded with 90" TTT ladies such as BL Rio Catchit and all the Van Horne females. This pedigree is loaded with female power. The icing on the cake with Streak is she has spent the last half of 2025 with a powerhouse bull called Silver Leighman. He is tall, black and gray, with 90" TTT. His dam Alemeda Leigh is black and white and 91.5" TTT. Leighman's sister is Silver Heart out of Alemeda Leigh and she measures 111" TTT. These genetics are rock solid on both sides of the equation. We love her and so will you for years to come.

COMMENTS: Once in a lifetime opportunity to own a daughter of one of the Largest Tip to Tip cows ever in our breed, with the potential of becoming the largest ever. Her sire has produced massive horned offspring like BR Jungle Jim, Houdini's Annie, and several other females that are going to go over the 100" TTT milestone. Her dam is a daughter of the Legend Drag Iron, who has forever impacted the industry. Now to the exciting part. You, "THE BUYER", will get the #1 choice of all of the ET calves from year one of embryo work. The sires you will be choosing from are Rebel HR, Ironman HR, Pacific Cowboy 40, and WT Kid Rock. All calves will be born at a respt facility in Kansas, and photos, weights, and measurements of calves to choose from, or you can go see them in person to make your selection. Each of these matings was done with devotion to detail. This is where a new chapter in the history book is written.

Tuffette's daughter topped last year's sale at \$65,000, and Ironman continues to dominate, most recently being crowned the 2025 Ultimate Bull. COMMENTS: OCV'd. We were blown away by this genetic combination at last year's Legacy Sale. Their daughter Cut n Royal Gal, captivated the crowd and hammered down at \$65,000. We knew right then we had to duplicate the superb genetic, masterpiece created by Gilliland Ranch. With Cut n Dried's extraordinary size & chiseled physic, adding sustained substance to, "his get" with masculine sons & elegant daughters. This mating compliments Tuffette with the line breeding of Cowboy Tuff Chex, proving to be superb in up and coming individuals at Bentwood Ranch. Her maternal strength is unmatched & her dam is a full sister to WS Sun Star, showcasing the consistency & predictability of this maternal line. COMMENTS: OCV'd. 10 years ago 3S Danica made her mark on the industry shattering a previous sales record and topping the Legacy Sale at a whopping \$380,000. Since then, she has gone on to continue her status as one of the breeds best females by more than just horn, by her outstanding production! Her first calf and only daughter to sell, TCC Dani brought \$110,000. Her grand daughter Dani Fabulosa sold for \$57,000 at just 6 months old and LM Dani's Reflection brought \$52,000. Cyclone LM, a grandson brought \$62,000 at auction. Not to mention, her grandson Marlboro Man LM is this years Legacy Spotlight bull on his way to passing the 90" mark! The next step is taking the legendary production on 3S Danica and pairing that with HL Heads Up, who is one of the top producing bulls in our industry with unborn calves selling as Cash Cows. You take the best and breed them to the best. This heifer is a game changing offering 10 years in the making at Lucky Mountain Ranch! Ultrasound confirmed bred on 10/9/25 with a HEIFER in utero due April 2026.**COMMENTS:** OCV'd. Johne's negative; 3:1; This is our best cow. She is in her prime having just turned 7 years and is right at 100" TTT. She checks all the elite boxes starting with an easy going disposition, great maternal instincts and very correct conformation. Her pedigree is first class being a Hubbell's 20 Gauge daughter out of the CC Sheza Whip Er Wil line. She continues the tradition of strong maternal line production featuring 3 progeny that we are keeping for replacement. Her 2023 Cactus Jack heifer is 66" at 25 months. Her 2024 Midas Touch heifer is 35" at 12 months with great horn direction. She has a Sheridan GLR (MC Hangin'Tuff -102" X Tsunamis Tuff Pearl-101") bull calf at side that we are selling 1/2 interest. We were willing to put 20 Whip Er Wil Gal in the Legacy Sale because we could still keep her elite genetics in our herd through this herd sire prospect. This young bull will be sold separately from the dam with 1/2 interest available to the new buyer. He will be 9.5 months old at sale time and his early size, conformation and horn growth/direction are very promising. GLR 20 Whip Er Wil Gal's (Hubbell's 20 Gauge X RJF Casanova Sheza Whip) strong maternal line should further propagate through Taurus' future progeny. Sheridan GLR, the sire, comes from 100" parents – MC Hangin'Tuff-102" X Tsunamis Tuff Pearl-101". That adds even more production potential to this young bull's future. There are no guarantees with any herd sire prospect but this is about as good as it gets!**GILLILAND RANCH LLC**

Her udder has perfect attachment with each quarter abundant with milk that raises high-quality calves annually. Her dam is Shamrock Tari Temptress 99"TTT, who is a Tempter daughter out of ECR Eternal Tari, one of the most predictable horn producers the industry has ever seen. BREEDING INFORMATION: Exposed to BR Real Deal from 7/1/2025 to 11/25/2025 and Heartbreaker from 12/5/2025 to sale date.

COMMENTS: OCV'd. This is a true front pasture cow for sure. She's 1200 lbs, colorful, flat curvy horns going straight out, milker and easy. What's not to like. Her pedigree has Drag Iron, WS Jamakism, Winchester, Clear Win, Mile Marker and that is just some of the bulls in her pedigree. Her horn measurement was 94" TTT last October. She going to push 100" TTT. The icing on the cake is she should be bred back to BR Real Deal who is over 100" TTT and has multiple 100" TTT females in his pedigree like Jammin Jenny and his sire is BR Cracker Jack. Should be an amazing calf. We are keeping two of her heifers in our herd for replacement.

All of them in 90s with DC Franci measuring 99.875" on December 27. DC Franci is confirmed bred to the 95" true black 3yo PCC Dark Dust. You won't find the usual suspects in her pedigree, but what you will find are deep progeny under each member of the Franci line. BREEDING INFORMATION: Exposed to GF Buck Winn from 4/19/25 to 3/01/2025

COMMENTS: OCV'd. Nothing but the best for the Legacy Sale - and here she is - The Queen. One of those rare, truly special females that defines a Front Pasture Cow. Measuring over 100"+ TTT and carrying the powerful genetics of her legendary 103"+ TTT granddam, M Arrow Cha-Ching. The Queen is big-bodied, an easy keeper, an excellent mother and has given us four outstanding daughters: one now proudly owned by the Sillers, and the other three we are retaining as replacements. She sells bred to GF Buck Winn, the striking 90"+ TTT son of 90" TTT Drag Iron and RRR Miss Red Rose, a JP Rio Grande daughter who is sadly no longer with us. Buck Winn is an exciting young herd sire and is generating some serious attention with his proven genetics. The Queen, a foundation cow for any program.

BREEDING INFORMATION: Bull calf at side born 7/18/2025, sired by Jammin Rex. Exposed to Plead the Fifth from 7/18/2025 to sale date.

COMMENTS: OCV'd. If you're looking for a Holstein with horns, you won't find anything closer! Midnight is a beautiful black and white with 85" TTT. More importantly, she has the most perfect, full udder that raises healthy, fleshy calves. She maintains body condition year-round and is such an easy keeper. She has a bull calf at side by Jammin Rex, a son of Jammin Jenny, already in his mid-80's at 4 years old. She is exposed back to Plead the Fifth to bring Fifth Weapon genetics to the calf she is carrying.

COMMENTS: OCV'd. Always Awesome. Don't let the red paint job fool you. This cow has it all, and the performance in her daughters to elevate your program to the next level. Her oldest daughter is developing her dams and granddams twist, and she is sired by Rebel HR. The next two daughters are very correct with lots of substance, sired by WT Kid Rock. Her Dam sold for \$165K, and her offspring command top dollar when they enter the sale ring. She is sired by Pacific Cowboy 40, who is over 101" TTT and showing the true value of his genetic contributions over the last few years. We have her being bred back for a fall 2026 calf.

COMMENTS: OCV'd, Parent Verified, and DNA on file. Stars in Motion is an elite cow that is truly a total package. Her maternal is consistent and productive. Her paternal side brings in the great Rebel HR, who needs no introduction. Stars in Motion was named a superior cow at the 2022 Horn Showcase. She is a great producer who throws color, horn, and body. She has all three of her bull calves being retained as a herd sires. Her heifers have sold well at auction as well as won futurity classes. We are retaining several of her heifers to replace her in the herd. This front pasture cow will produce for you and set you up for success. BREEDING INFORMATION: Bull calf at side born 9/21/2025, sired by SEE4's Undaunted. Not Exposed back – open to breed to the bull of buyer's choice

COMMENTS: OCV'd. Lookie LuLu is a standout with serious horn producing power. She has an impressive TTT reaching well into the 80's (should be pushing 90' by sale date) before even reaching 5 years old- that kind of early horn growth will turn heads and build programs. She's got a feminine profile, excellent disposition, and all the lateral horn you could ever want. Combine that with a seriously strong pedigree and you've got a cow that's not just pretty in the pasture, but a foundation in the making! Whether you're building a herd or just adding value, Lookie LuLu is the kind of cow you that puts you in another class of breeders.

COMMENTS: OCV'd. Daisy SS is a genetic powerhouse female who will continue to turn heads throughout her career. She measured an astonishing 87.25" TTT at just past her 4th birthday, and this should allow her to cruise into the 100's TTT at a very young age. Her sire also produced the longest TTT female in the breed, Sweet Maxi EOT, who is right at 119" TTT. Her maternal grand dam is CR Butterfly, whose daughters are averaging over \$35K.
